DESIGN

Designed Around Your Event

Your dessert table should feel like part of your celebration. We can create a polished display that complements your event's colors, theme, and overall style.

Colors & Theme

We can coordinate your dessert table with your event colors, theme, and aesthetic to create a cohesive look.

Presentation

Each dessert table is thoughtfully arranged to create a beautiful presentation that is inviting for your guests and perfect for photos.

Display

We provide risers and serving trays with our setup service to create a beautiful, layered display.

Attention to Detail

Every element of your dessert table is thoughtfully considered, from the arrangement of each dessert to the overall presentation. We take pride in creating displays that feel intentional, polished, and perfectly suited to your celebration.

SERVICES

We Handle The Details

Make your event even easier by letting us take care of your dessert table from delivery through takedown. Our event services are designed to give you a beautiful presentation without adding another task to your day.

Delivery

Have your desserts delivered directly to your event location.
We carefully transport your desserts so they arrive ready for setup and presentation.
Delivery pricing is based on distance from Batch at Bottom Creek.

Setup

Let us take care of your dessert table from start to finish.
Our setup service includes arranging your desserts and creating a polished display that complements your event. We bring risers and serving trays to create a beautiful, layered presentation.
Setup pricing is based on distance from Batch at Bottom Creek and the services requested.

Takedown

Enjoy your event without worrying about cleaning up the dessert display.
When takedown service is included, we return after your event to carefully remove the desserts, serving pieces, risers, and other display items provided by us.
Takedown pricing is based on distance from Batch at Bottom Creek and the services requested.
